Each day in America, 32 men, women, and children are murdered with guns. Another 51 use guns to commit suicide. Hundreds more — from infants to teens, adults and seniors — are wounded daily by gunfire.

Mistaken shot by tot kills mother

The woman was accidentally slain when the boy found a gun in her purse. (Phila. Inquirer)

The best place ever was a British U. where the reward for discussion and good paper(s) was to be excused from all exams for all four years.

One solution: -A civil-servant-run think-tank inside the government
